

All Together Better - Care Model

Our vision: Better Health and Care for Sunderland

We will:

Deliver more personalised, pro-active and joined up care.

Improve peoples' experiences of using health and care services and their health outcomes.

Support people to live longer with a better quality of life.

Keeping you well at home and preventing any unnecessary trips to hospital.

Supporting your choices around end of life care.

24
Providing a quick and clear response when you need care urgently.

Supporting you to recover well following a hospital stay.

Pro-active care and support to help you stay well.

Looking after those who care for you.

Health and social care teams will work together to support your social, physical and mental health.

Guidance and advice to help you keep yourself well.

Your GP, local teams and community groups working with you.

Different health and care professionals working better together to co-ordinate your care.

Working with you and your carer to develop bespoke care plans.

Supporting you to live well with any long-term conditions.

Local community teams delivering more care near to where you live.

Health and care partners working together.
